Mr. Fremont Schunk, Pres.,
Milwaukee Radio Amateurs Club, Inc.,
Milwaukee, Wisconsin.

Dear 9AFZ,

During the latter part of last week I received my ticket from 9DYD Banquet Committee Chairman for the CRTA anniversary celebration. He says he has not yet at the time he wrote to me, heard from any of the fellows in Milwaukee, Racine, or Kenosha. However since, thanks to Fred Catel and Bob Knoff I learned thru the Sunday Milwaukee Journal that about fifteen plan to go from Milwaukee. This is indeed good news and I will pass the word along to 9DYD. 9DYD has asked me to write to the MRAC and also the fellows at Racine and Kenosha. Since the gerater share of the MRAC has already decided as to whether they will go or not, it is probably unneccessary for me to write but I hope I may be able to encourage more to go and let nobody remain "on the fence". Those who have seen the banquet announcement need no more encouragment. It speaks for itself, also for the MRAC, hi.

9DLD will accompany a group of a half dozen, more or less of Racine hams including 9BIB, 9BJW, and others who will leave for Chgo abt noon or shortly thereafter by North Shore Interurban. I sure will be pleased to see a good representantion from Milwaukee, the committee in charge will be pleased, and all will depart after it is over, felling more enthusiastic and in better spirits than ever. Vy 73.

Respectfully
Joseph L Kemmeter
Route Manager of Wisconsin Section

P.S. I would have sent this to Don Siebel but I didn't no the Secretary's adderess.
